EL CALAFATE

It's worldwide known as one of the main tourist destinations since it is the base town to get access to an entirely different world! In the middle of the Patagonia highlands, you will be surrounded by a breathtaking landscape of high mountains, glaciers and ice. You will be in the far southwest of the Santa Cruz province, where the most spectacular mountain range of Argentina is situated and host the most beautiful and famous glacier of all, "Perito Moreno Glacier."

Hotel DEL GLACIAR Libertador

ABOUT US

We have been on accommodation business for over 30 years, being our Hostel Pioneros, one of the pioneers' hotels in town.

LOCATION

We offer a qualified service with qualified and warm professionals, plus the best location since we are placed on the main street, in the heart of Calafate Downtown, the best and safest neighbourhood.
